FORGED PANELS

**House of Forgings
is dedicated to
providing superior
products that meet the
highest standards of
architects,
homebuilders
and homeowners.**

We are pleased to provide a full line of prefabricated ornamental iron components. These elegant products allow for the look and feel of a fully custom fabricated iron stair or railing system. In addition to cost savings, installation time is greatly reduced compared to traditional fabrication.

STAIR &
RAILING™

DISCLAIMER

Regency Railings creates all designs to pass the 4" sphere code when installed using the suggested layouts. We also create all designs to pass the 2003 IRC minimum and maximum handrail heights. However, it is up to the installer to familiarize himself with all local building codes and provide an installation that will assure passage of those codes.
