

# Masonite® Performance Door System

Stop air and water  
leaks, and protect  
your bottom line.

# 64%

better at keeping  
air and water out

than the leading competitor

Keep the outside out and the inside in. Rigorously tested,\* **the Masonite® Performance Door System is designed to provide stronger performance even with a less than perfect installation.** The door will continue to function properly even as the house settles over time, reducing the likelihood that homeowners will need to call you for adjustments or repairs.

**Increase confidence and trust**  
with a product that performs

**Superior performance**  
even with an imperfect installation

**Reduce costly service calls**  
with our 10-year limited full replacement warranty†

**Weather resistant and energy efficient**  
for increased customer satisfaction

 **MASONITE.**  
DOORS THAT DO MORE.

\*ASTM E547 Standard Test Method for Water Penetration of Exterior Doors.

†Warranty covers labor cost to re-install. Door system and its components must be properly assembled, installed and maintained. See warranty for additional details.

# Masonite® Performance Door System

## 4-Point Performance Seal

### 1 SQUARE EDGE DOOR

Fits perfectly into the frame. Other manufacturers use proud edges, which create gaps.

AND

### 2 ENDURA® SIMPLE SOLUTION® CORNER PADS

Designed to stop upward water pressure driven by wind and form a tight seal between the door and frame.

### 3 ENDURA® PE650 WEATHERSTRIPPING

Made to snap back into shape when bent or twisted, this high-end, low-wick memory foam weatherstripping stops air and water in its tracks.

AND

### 4 ENDURA® Z-ARTICULATING CAP SILL™

Automatically adjusts for seasonal changes and foundation settling. Provides advanced protection from leaks, drafts, sand, dust and debris.

**Note: Outswing Masonite Performance Door System options also available.**

## Make it **PLUS+**

**m·protect™**  
Multi-Point Security Lock

4x\*\* stronger than a standard deadbolt lock, M-Protect™ provides unmatched protection. For communities with 8/0 floor plans, M-Protect can reduce bowing by up to 83%.†

ENHANCES  
SECURITY

EASY TO  
INSTALL

IMPACT  
RESISTANT

COMPATIBLE  
WITH MOST  
HARDWARE

\*\*Testing performed on a door without glass, results may vary for the other door styles.  
†If properly assembled, installed and maintained in accordance with Masonite's instructions.
