

CRAFTSMAN  
COLLECTION

THERE'S A QUIET ALLURE TO  
PERFECTION—AN IRRESISTIBLE  
DRAW TO WHAT LIES  
BEHIND THE DOOR. THE  
CRAFTSMAN COLLECTION  
IS MORE THAN CABINET  
ACCESSORIES; IT'S AN  
INVITATION TO EXPERIENCE...

The background features a dark grey field with a large, curved, light-colored wood grain element on the left side. Overlaid on this are several concentric, semi-circular lines in a light cream color, creating a sense of depth and movement. The overall aesthetic is modern and sophisticated.

*LUXURY  
REDEFINED.*

CRAFTSMAN  
COLLECTION

Elevate your cabinetry with the Craftsman Collection by Rev-A-Shelf®, our premier line of high-end cabinet accessories. Designed for those who demand the perfect blend of style and functionality, this collection redefines sophistication with sleek, modern lines and premium craftsmanship. New for 2026, the Craftsman Collection introduces a rich walnut option alongside its classic maple offering.

Each piece features striking black accents, offering a contemporary aesthetic that complements any kitchen or living space. Designed with both durability and elegance in mind, the Craftsman Collection combines stunning aesthetics with the innovative performance you expect from Rev-A-Shelf®.

From seamless storage solutions to elegant organizational details, the Craftsman Collection transforms cabinets into a curated design statement. Where form meets function, every detail is meticulously crafted to enhance your space with timeless appeal.

Step into a world of luxury and refinement with the Craftsman Collection, where inspired design reimagines cabinetry organization.

# BASE CABINET PULLOUT W/ KNIFE BLOCK

Store your kitchen knives, shears, meat thermometers, and more in style with the 448KBCC Craftsman Collection Knife Block Base Cabinet Pullout. Part of our Craftsman Collection, this pullout organizer combines timeless style and exceptional functionality.

The elegant design features curved black wire accents, solid wood construction and furniture-grade soft edges. The distinctive decorative details echo the graceful curves at the top of the pullout, creating a cohesive and sophisticated look.

Built for practicality and convenience, the 448KBCC includes up to two knife block inserts with flex rod technology to securely hold your knives, a removable black wire utensil bin, and an antimicrobial dishwasher-safe cutting board.

Designed for 9" and 12" base cabinets, now offered in walnut or maple with concealed rear backstops that provide extra safety and stability, patented door-mount brackets (US Patent No. 8,388,076) and BLUM MOVENTO soft-close slides that provide smooth operation and easy installation.

Dishwasher-safe cutting board included

(1) removable black wire utensil bin

Sculpted black wire accents

Flex rod knife holder

The curved lines of the cutting board enhance the pullout's soft contours

# BASE CABINET PULLOUT

A distinctive cut-out design, smooth curved edges and bold black wire accents elevate both form and function

Adjustable middle shelf that discreetly conceals adjustment holes

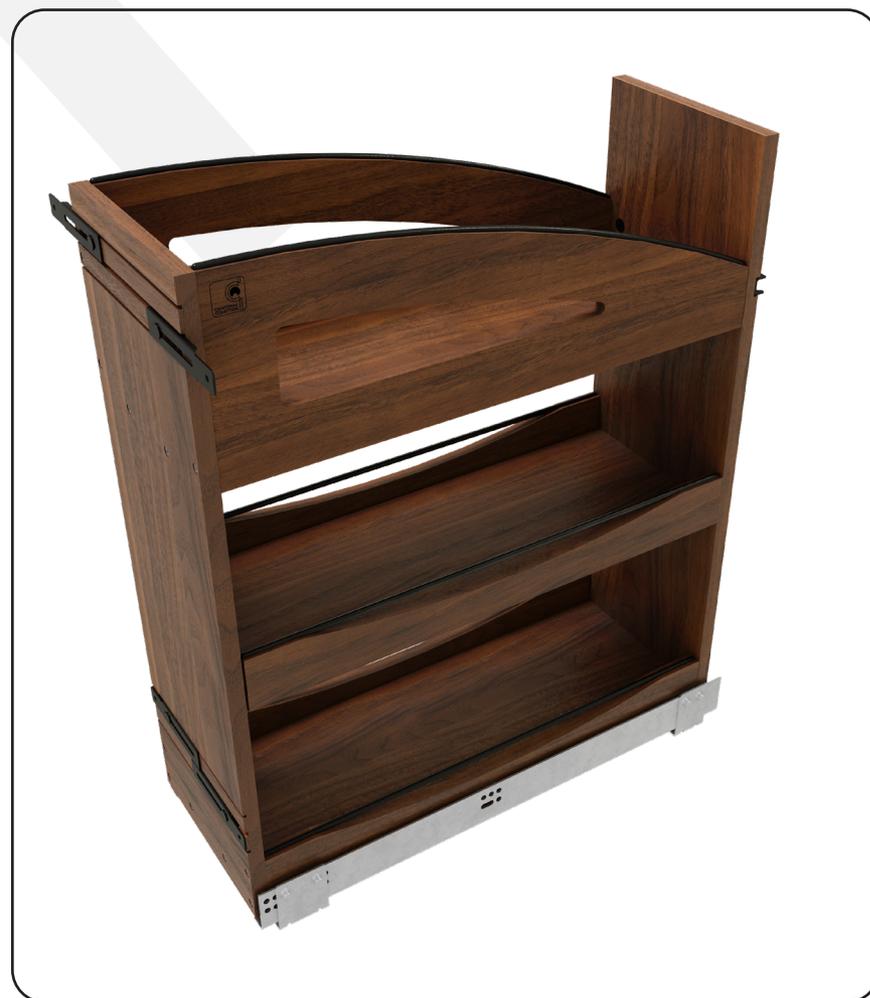

CRAFTSMAN  
COLLECTION

Rev-A-Shelf® is excited to introduce the 448CC Series Base Cabinet Pullout, part of the elegant Craftsman Collection.

This pullout organizer combines refined aesthetics with practicality, showcasing furniture-grade soft edges, solid wood construction, and recessed black wire accents that add a modern touch.

Designed for 9" and 12" base cabinets and now offered in walnut or maple, the 448CC features a fixed top and bottom shelf, an adjustable middle shelf, and curved details that enhance both style and functionality.

Complete with BLUM MOVENTO soft-close slides and patented door-mount brackets (US Patent No. 8,388,076), this innovative pullout organizer brings timeless craftsmanship with a modern touch and easy organization to your kitchen.

# BOTTOM MOUNT WASTE CONTAINER

recessed wire black accents, and a stunning design with furniture-grade soft edges that is cohesive throughout our entire Craftsman Collection.

Designed for 9" and 12" base cabinets, now offered in walnut or maple, with decorative radius on either side of the pullout holds the BPA-free black polypropylene waste containers securely in place. The black door-mount brackets are integrated into the frame, giving a clean visual appearance. This unit glides on BLUM MOVENTO soft-close slides for smooth operation.

Stash your trash in luxurious style with the 4WCCC Series Craftsman Collection Bottom Mount Waste Container from Rev-A-Shelf®! This one-of-a-kind pullout waste container features the same solid wood construction,

Elegantly contoured wood silhouette

Double 50 qt. configuration shown, see pg. 33 for all options

# "GIRASOLO" BLIND CORNER OPTIMIZER

Banded wood rim with recessed black wire accents

Black soft-close pivot hardware system

The scoop-out design in the wood rim allows the wire accent to function as a convenient handle

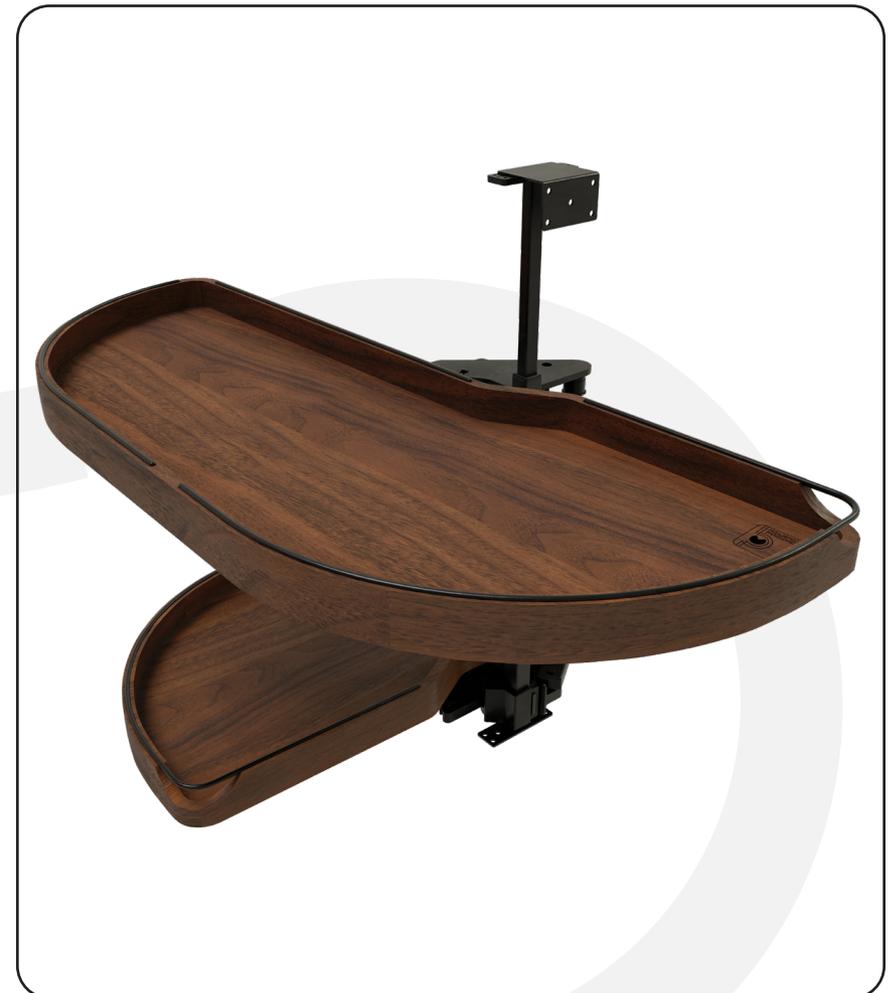

CRAFTSMAN  
COLLECTION

The 487CC Series Craftsman Collection "Girasolo" Blind Corner Optimizer by Rev-A-Shelf® brings a sophisticated upgrade to the classic Girasolo design. As part of the Craftsman Collection, this innovative blind corner solution combines curved lines with soft edges in its solid wood construction. Recessed matte black wire accents add a sleek, modern look to the organizers.

Thoughtfully designed with functionality and style in mind, the 487CC Series pulls directly out of the cabinet on a soft-close pivot hardware system, eliminating the need for adjacent appliance clearance.

The elegant black wire accents double as a handle for effortless operation.

Now available in walnut or maple and designed for 12" and 15" and 18" blind corner cabinet openings, this organizer features two pullout trays. The trays glide smoothly, providing easy access to hard-to-reach blind corner cabinets. The adjustable shelving system further enhances the storage possibilities, making it the perfect solution for organizing while maintaining the seamless Craftsman Collection aesthetic.

# ADJUSTABLE DEEP DRAWER DIVIDER

and refined appearance. The unique curved design seamlessly complements the rest of the Craftsman Collection while adding both visual interest and effortless access to the contents of the drawer.

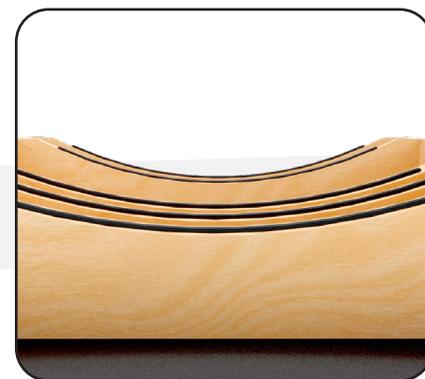

The 4WDIVCC Craftsman Collection Adjustable Deep Drawer Divider Inserts from Rev-A-Shelf® will bring organization without sacrificing style.

Designed for 24", 30" and 36" base cabinet drawers, these trimmable inserts feature solid wood construction and recessed black wire accents for a modern

The 4WDIVCC Series is available in walnut or maple and installs in seconds with just four screws. Includes a removable black non-skid vinyl mat and four, five or six removable, adjustable dividers that can be positioned either at an angle or vertically, allowing you to create a truly customized organization solution.

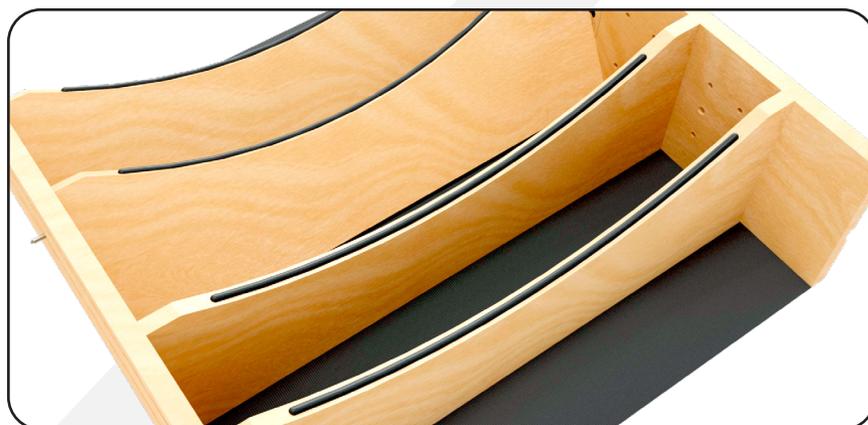

Black non-skid mat included

Curved divider profile with black accents

Features up to six adjustable, removable dividers that can be positioned vertically or at an angle for customized organization, along with up to (30) dowel pins for easy adjustments

Optimize your vertical drawer space by angling the dividers, creating the perfect solution for storing taller items

# KIDNEY-SHAPED LAZY SUSAN

Banded wood rim

Unique scoop-out design that allows the wire accent to function as a handle

Recessed black wire accents

Tray swivels on an aluminum bearing

CRAFTSMAN  
COLLECTION

Rev-A-Shelf® is putting a new "spin" on cabinet organization with the Craftsman Collection Kidney Shaped Lazy Susan. This product line features stunning lines, visual lightness, solid wood construction, and stylish embedded black wire accents for a distinctive look that sets it apart from anything else on the market.

The 4CC-401 Series is available in 28" and 32" sizes and now offered in walnut or maple. Designed for corner base cabinets, these single-shelf units include an aluminum bearing. The distinctive curved design in the front of the unit allows the black wire accent to double as a handle for easy operation.

# STAINLESS-STEEL BASKETS

Store your produce in style with the 4SSB Series Stainless-Steel Produce Baskets. These removable baskets are designed for 15" and 18" base cabinet openings and are intended for use without cabinet doors. They are available in natural maple or walnut construction, featuring either a stainless-steel bottom with matching

handles or a luxurious black bottom with matching handles. The perforated design promotes ample air circulation and prevents moisture buildup, keeping your fruits and vegetables fresher for longer. Enjoy simple installation with a trim-to-fit side rail and easy transport using the built-in handles.

# PULL-DOWN SHELVING SYSTEM

Upgrade your kitchen with the sleek and space-saving Yo-Yo, 5PDYO Series Customizable Pull-Down Shelving System. Designed for wall cabinets up to 36" wide (with 5/8" wall construction and a 34-3/4" interior width). This innovative storage solution is trimmable to fit virtually any wall cabinet, with a recommended minimum internal width of 14-1/2".

Crafted from durable sheet metal with an elegant black finish, the unit boasts a 40 lb. weight capacity and features

smooth gas-spring assist for effortless pull-down and push-up operation. The side-mount design optimizes cabinet space, leaving room below for additional storage.

Choose from two included maple shelves and matching back walls, or customize your setup with your own 5/8" thick shelving substrate. The 5PDYO Series offers flexibility, convenience, and functionality to transform any kitchen into a well-organized, stylish space.

5PDYO-36MB

# PAPER TOWEL DRAWER

**R**ev-A-Shelf® has revolutionized kitchen organization again with the 4PTD Series Paper Towel Drawer! The drawer system holds one standard-size paper towel roll with ample storage in the back for additional rolls.

Designed for 18" full-height base or custom 18" door/drawer cabinets with a 15" wide by 7-1/2" (7-5/8" for inset) high opening, this stunning drawer features natural maple dovetail construction with a semi-gloss finish or walnut with a satin finish, a removable dowel for the

paper towel roll and BLUM TANDEM soft-close slides. Adjustable mounting hardware and a walnut or maple inset beauty ring (which can also serve as a template or drawer front) are included for flexible and easy installation.

See pg. 37 for specs and pricing.
