

Heritage Series Interior Doors

Introducing Bayshore

New

The **NEW BAYSHORE STYLE** is now available in solid core, hollow core and bifold**

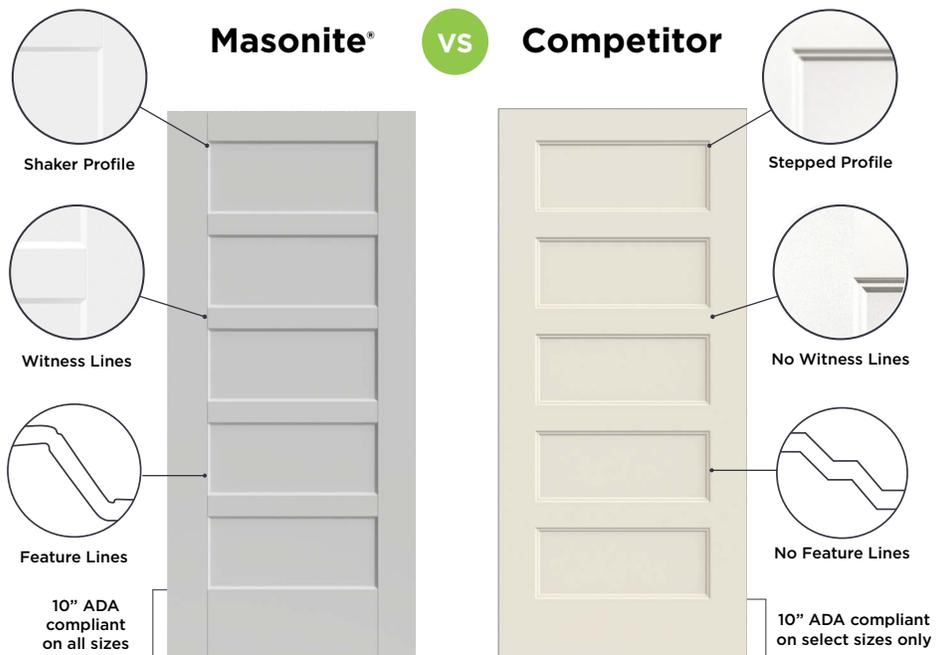

Bayshore in SW Charcoal Blue

Enhance Your Interior Product Line Up

Molded recessed doors are surging in popularity. By adding Bayshore to your lineup, you'll offer the latest styles and trends your customers desire.

WHAT MAKES BAYSHORE DIFFERENT?

- Witness lines and feature lines create superior aesthetics with a cleaner stile and rail shaker panel-profile
- Complies with 10" bottom rail ADA regulations for all sizes ♿

Why Choose Heritage Series?

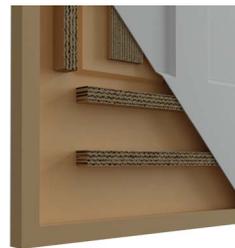

The clean lines of Masonite's Heritage Series doors help convey traditional craftsmanship and imitate an original stile and rail wood door. These smooth panels are available in a variety of sizes as solid core, hollow core or bifold. All units are available primed/ready-to-paint.

Masonite® Solid Core Doors

Made with 70% more material than our standard hollow core doors, Masonite® solid core doors are a stronger, more premium option that enhances durability throughout a home.

WHERE TO USE SOLID CORE DOORS:

- Laundry Room
- Bathrooms
- Bedrooms
- Home Office

MASONITE® HOLLOW CORE DOORS

MASONITE® SOLID CORE DOORS
