Solid Surfaces

Your Design Solution

Downy White

## STRETCH YOUR IMAGINATION WITH STARON FOR INFINITE POSSIBILITIES.

### TIMELESS BEAUTY

From intricately detailed veining to lustrous muted waves

The upgraded **Supreme Collection** draws its inspiration from the timeless allure of marble, featuring the mesmerizing movements and intricate crack patterns found in nature. Each exquisite design captures the authentic colors and detailed patterns of genuine stone. Delivering an impeccably smooth surface with timeless elegance.

Experience the timeless charm of Downy Grey with deep textures and enduring design with various light performances. Downy Cream and Downy Dove embrace the touch of tranquility to your interior design with feather-like soft colors and subtle patterns.

Find the beauty and practicality in one surface for your next project.

Discover our superior surfaces in the new **Supreme Collections**.

#### RELIABLE PERFORMANCE

- Cutting-edge technology sets a new standard in surface
- inconspicuous repairment available for its homogenous composition

#### HYGIENIC SURFACE

- Non-porous surface inhibits growth of mold or bacteria
- Resistant to heat and abrasion
- Refurbishment to a new condition available

#### DIMENSIONAL FLEXIBILITY

- Thermo-formable into three-dimensional shapes
- Excellent workability for unlimited design possibilities

#### INFINITE RANGE OF COLORS

- Over 150 color options ranging from natural to vivid
- Ongoing collaboration with color trend experts to stay commercially relevant

#### IMPERCEPTIBLE SEAMS

- Consistent color and texture on every sheet provides a smooth and seamless surface
- Installed without gaps, crevices, or obvious joint-lines

#### TRANSLUCENCY

- Creative back-lighting effects via diversified material thickness, allowing transmission from low-energy light source

#### GLOBAL NETWORK

- Regional branch offices and worldwide product distribution networks

#### RELIABLE QUALITY

- Advanced quality control policy and a commercial 10-year warranty
- Certified eco-friendly by Greenguard and Scientific Certification System

# *Premiere*

Inspired by the timeless beauty of natural stones, the Premiere collection captures the grace of nature. Featuring an outstanding large vein in the Calacatta style, it embodies an opulent luxury that transcends conventional vein designs.

## Differentiating points

### Point 1. Create differentiated spaces

With a natural pattern on a white, cool gray, and black tone base, it's designed to be adaptable to any interior design. Different colors and darkness of patterns are applied to the dual veins to give a various look.

#### Largo VL312

Patterns in warm and cool tones are added to the white background to emphasize both calmness and cheerfulness.

#### Legato VL322

A cool gray base creates a calm yet powerful look.

#### Gravita VG392

Warm-tone patterns and chips are added to the black base to emphasize the heaviness and wonder of black.

### Point 2. Natural Seaming

Improved the smoothness of the pattern when joining tops at 90 degrees. The abundance of veins makes the two plates look like a single piece when joined, giving them a more natural look.

### Point 3. Unique technology

LOTTE's unique technology allows for the creation of natural marble pattern.

More than double the richness of vein

## Ultra-Hygienic Material Solution for Healthcare

evermoin

*The healthiest choice for your design*

evermoin® Ultra-Hygienic material/surface from staron® can be applied to almost any interior space within a healthcare facility. Imagine casework, work-stations and wall-cladding in a functional and renewable material that is durable as well as ultra-hygienic.

Achieve the perfect blend of simplicity in design with an ultra-hygienic surface that is engineered for a healthier life.

### Benefit of evermoin®

### Safety Properties

Obtained certification, such as Japan SIAA, US NSF, and FDA, that guarantees sanitary safety and reliability to be harmless to human environments.

Harmless to human body	Safe for food contact
 <p><b>SIAA</b> Society of International sustaining growth for Ultra-Hygienic Articles</p>	 <p><b>NSF</b> National Sanitation Foundation</p>

# SINKS & BOWLS

Staron solid surface sinks and bowls can be installed together with the all-acrylic sheet to achieve a seamless appearance and more smooth and polished fit. The continuous transition from sink to surface leaves no seams for bacteria or mold to accumulate and grow, making Staron's non-porous solid surfaces as the most desirable choice for hygienic interior commercial applications. Staron sinks come in five following colors in sixteen popular models:
