

## UV Finishing

Panels are finished on our **State-Of-The Art UV line**, utilizing our **TuffCoat UV** (patent pending) finishing system. Our UV line can accommodate panels **up to 5' wide and 10' long and 1-1/2" thick**. Our UV finish is Durable, Cost-Effective and Environmentally Friendly, with virtually no emissions. **Birch, Maple, Oak, Alder, Cherry, Beech & many other species in stock**. Wide variety of grades and cores available. We offer clear finish in different gloss levels, custom tinted finish, and graphic friendly finish. Available substrates include **FSC®, NAF, & ULEF**. The panels are best for Kitchen & Bathroom Cabinets, Drawer Components, Shelving, Door Skins, Store Fixtures, Displays and many other applications. Cut to size and edge finishing available.

## Paint & Print Line

Our **high capacity paint & print line** can accommodate panels **up to 5' wide and 10' long and 1-1/2" thick**. We offer Oak, Cherry, Maple & Newsprint patterns. Black, White & custom colors are available. **Chalkboards, Dry-erase boards, and pegboards** in solid colors are available on **Hardboard and MDF**. Also available is **TuffCoat UV topcoat** for superior looks and durability. Let us provide you with solutions to all your priming needs; interior, exterior, and edges. Available substrates include **FSC®, NAF, & ULEF**.
