

SELECTIONS FROM
WILSONART® HPL

 **wilsonart**®

YOUR VISION, *delivered.*

Whatever vision you see, we see it through with a limitless collection of the most sustainable High Pressure Laminate designs. Wilsonart® HPL is crafted for affordable luxury and practical performance. The design options are vast, but our objective never changes — providing the perfect combination of art and engineering for every environment, backed by service you can count on.

Your designs, limitless

300+ LOCALLY STOCKED DESIGNS

plus 1,000+ on-demand designs and endless custom design possibilities

Your legacy, more sustainable

2X MORE POST-CONSUMER RECYCLED CONTENT

than other leading laminate brands, on average

Your surfaces, built to last

3X MORE WEAR RESISTANT

than other laminates, when powered by *ÆON™* Technology

Your plans, unstoppable

UNMATCHED RELIABILITY

with a dedicated delivery fleet that ensures complete and correct delivery

The smarter way to do wood

Wilsonart Woodgrains™ replicate any wood nature can grow, avoiding deforestation and waste caused by wood veneer production. That means you can design with exotic and rare species while protecting them at the same time.

#1 IN POST-CONSUMER RECYCLED CONTENT

Wilsonart Woodgrains™

THE SMARTER WAY TO DO WOOD

Our strikingly real woodgrains capture the best of wood in a surface that's tougher than veneer and impervious to wood's supply slowdowns and species markups.

Our new HPL Launch introduces luxe woodgrains with zero repeats across the full width and length of sheets — precisely recreating a plain sliced bookmatch (PB) from hand-selected 12" wide leaves of high-grade wood.

*Compared to wood veneer

FEATURES

- Up to 16X more durable*
- Up to 3X less expensive total installation price*
- 23% post-consumer recycled content on average

Abstract Trends

BOLD MINIMAL

Inspired by the philosophy of doing more with less, this trend shows how bold black and white can be. Dark, saturated woodgrains meet airy abstracts to create a dramatic contrast of light and shadow, blending the crisp, clean aesthetic of a modern office space with the comfort of home.

DESIGNS: ORGANIC COTTON 4945-38
WHITE OAK PB SPICE 8284K-05

QUIET INDUSTRIAL

This trend smooths the edges of industrial materials like metal and concrete to create a space that feels warm and welcoming. Raw wood and other organic elements bring nature's softness to the structure of modern industrial design.

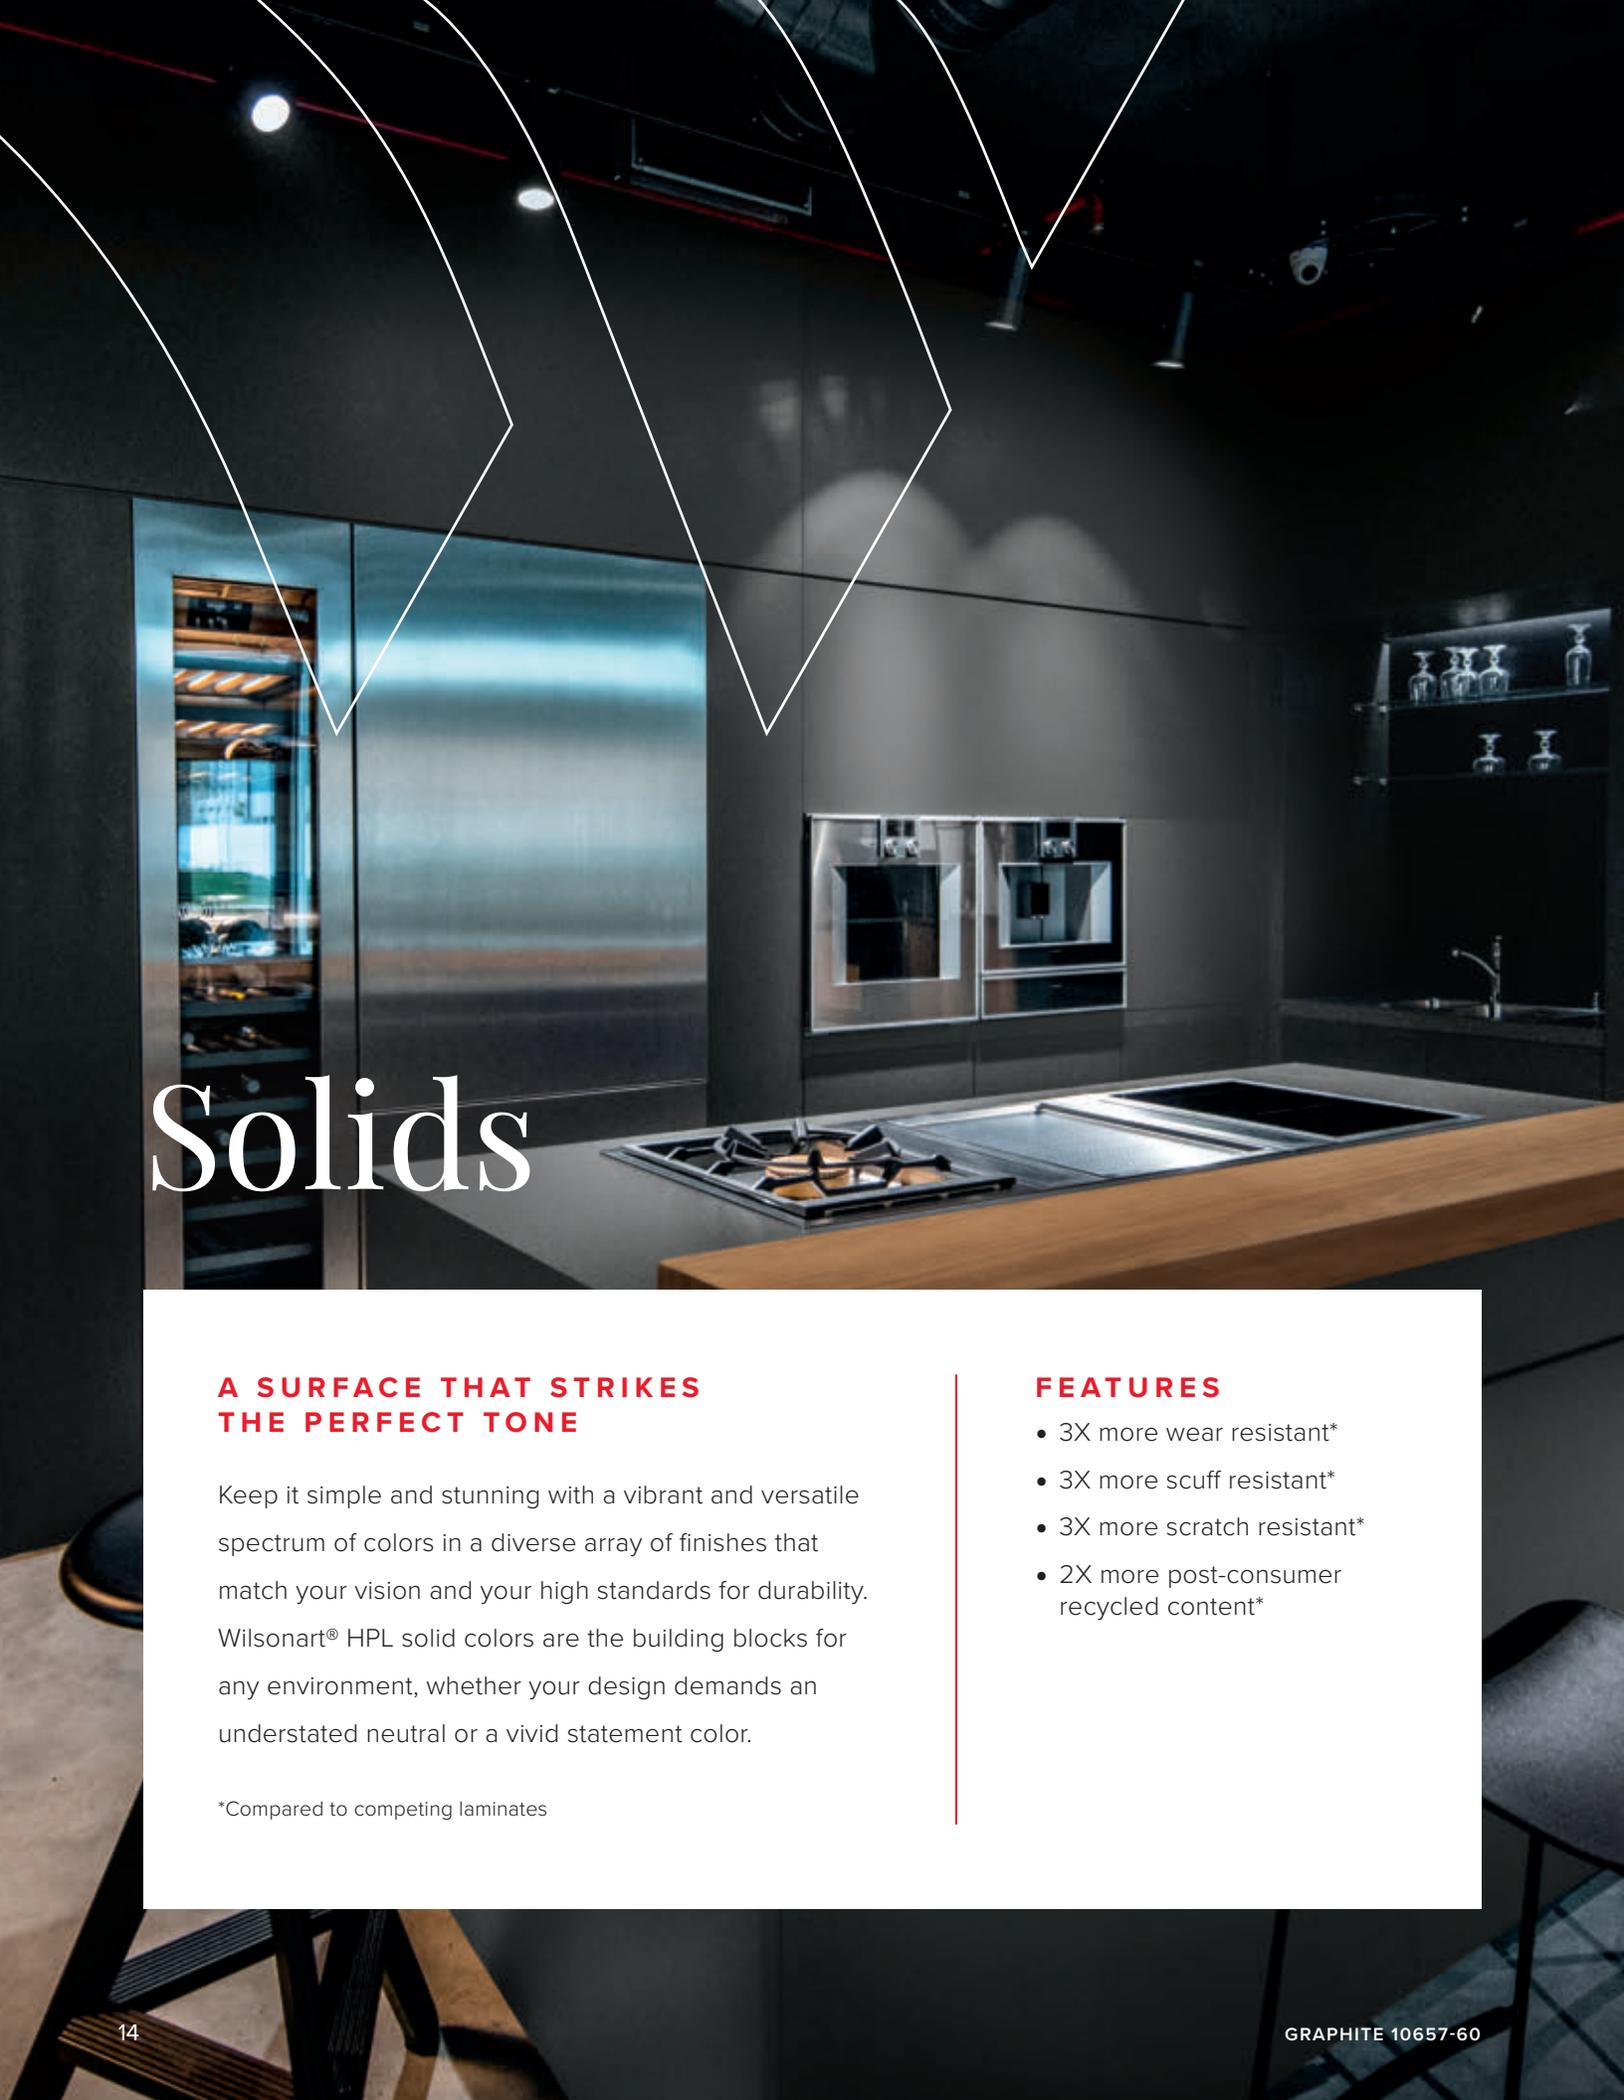

DESIGNS: PEWTER BRUSH 4779-60 / CHERRY PB SIENNA 8275K-05
CALCUTTA MARBLE 4925K-07

SOFT ECLECTIC

Curated, yet effortless. This trend creates harmony by weaving luxe materials and handspun textures into a one-of-a-kind collection of favorite things. Mix and match textile, stone, wood, and leather to create a space that feels thoughtful and personalized with just a hint of maximalism.

DESIGNS: HANDSPUN CHESTNUT 5036-38
MAPLE PB NATURAL 8269K-05

Solids

A SURFACE THAT STRIKES THE PERFECT TONE

Keep it simple and stunning with a vibrant and versatile spectrum of colors in a diverse array of finishes that match your vision and your high standards for durability. Wilsonart® HPL solid colors are the building blocks for any environment, whether your design demands an understated neutral or a vivid statement color.

Residential Trends

LIGHT & BRIGHT

Fresh, bright white tones continue to lead as a top choice for residential and resimercial environments, especially in kitchens and bathrooms where a sense of cleanliness and simplicity is everything. Modern spaces that embrace warmer white tones are also the perfect blank canvas.

DESIGNS: ALUMA MARBLE 5067K-15
PHANTOM PEARL 8211K-28

CRAFTED CALM

Encounter a soft, warm, comforting interpretation of casual luxury. Connecting with nature through design is an essential element of the Crafted Calm trend. Look to cozy, neutral tones that inspire a sense of welcome and tranquility when paired with rich woodgrains.

DESIGNS: DRAMA MARBLE 5010K-07
WHITE OAK PB HONEY 8283K-05

DARK & MOODY LUXE

Turn down the color. Turn up the drama. Convey a deep sense of luxury with dramatic contrasts that make a statement. Saturated colors like blacks, brown-blacks, and deep blues and greens pair with exotic wood accents to create spaces that offer a sense of retreat and tranquility.

DESIGNS: TERRENA SOAPSTONE 5059K-15

Finishes

THE FINISHING TOUCH THAT WITHSTANDS WEAR

From ultra-matte to high gloss, choose the perfect finishing touch that withstands wear from Wilsonart's robust library of options. Our nature-inspired surfaces are curated with finishes that add an extra layer of realism to stones, woodgrains, and woven textiles. Premium and Wilsonart® HD® finishes enhance your surface's performance with extra layers of protection.

ÆON™ TECHNOLOGY

Provides 3X better wear resistance and better scratch, scuff, and mar resistance than comparable competitive finishes.

ANTIMICROBIAL PROTECTION

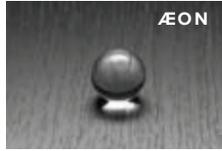

Inhibits growth of stain- and odor-causing bacteria, mold, and mildew. It's available as a performance enhancement on premium and standard finishes.

Finishes

#01 HIGH GLOSS - PREMIUM

A mirror sheen finish, which gives a smooth, brilliant appearance. Recommended for horizontal applications such as countertops and light to medium commercial applications. Excellent for vertical applications.

#05 TIMBERGRAIN - PREMIUM

A low-sheen wood finish with a dimensional, realistic ticking and natural variation across the surface texture, much like a natural veneer.

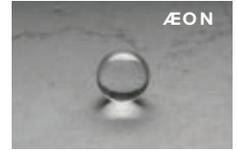

#07 TEXTURED GLOSS - PREMIUM

A fine textured surface with a sheen level indicative of waxed wood, polished stone, or other moderately reflective materials.

#12 SOFTGRAIN - PREMIUM

A dense, woodgrain structure that is low gloss and soft to the touch. Subtle highlights of reflectivity randomly occur within the embossed grains, creating a sophisticated raw wood look.

#15 FIELDSTONE - HD® PREMIUM

This matte finish has a mixture of low sheen, stone-like textural attributes layered across the surface. And layered on top are fine, irregular veins and features in a higher sheen, which create natural contrast and dimensional organic detail.

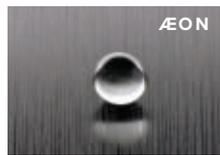

#16 CASUAL RUSTIC - PREMIUM

A woodgrain texture with a blend of grain variations ranging from linear to subtle movement with random, irregular features. The overall low gloss surface is accented with higher sheen woodgrain ticking and random highlights.

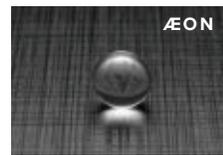

#17 SILKEN WOOD - PREMIUM

A luxurious matte finish that provides a silky touch. This tactile quality is paired with intriguing visual features found in a quarter-sawn grain structure, like open or dense ticking in linear arrangements.

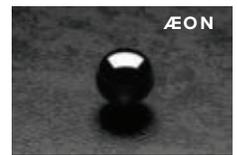

#18 LINEARITY - PREMIUM

A directional texture running the length of the sheet, having a narrow, random, matte-gloss linear quality. It is complementary to linear woodgrains and linear patterns and provides dimension and visual movement to solid colors.

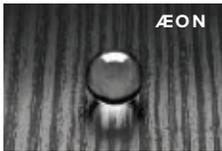

#19 LENO WEAVE - PREMIUM

Random intersecting horizontal and vertical lines create a geometric weave with a matte-gloss mix.

#22 ANTIQUE - PREMIUM

A mixture of varying low gloss features combined with organic movement, indicative of the surface of an aged stone or an antique metal.

#28 GLOSS LINE - PREMIUM

A linear woodgrain texture with varied widths of narrow grain structures in an alternating mix of matte and gloss surface areas.

#35 MIRAGE - HD® PREMIUM

Subtle variations in matte and gloss finish connect to nature's own finishes: rough and weathered, smooth and polished.

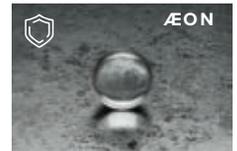

#38 FINE VELVET TEXTURE - STANDARD

A smooth-textured finish with moderate reflective value.

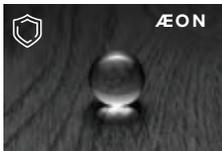

#52 QUARRY - HD® PREMIUM

Premium finish emulating the "pitted" look of polished natural stone.

#55 GLAZE - HD® PREMIUM

A layering of matte features over a glaze of semigloss creates this timeworn effect.

#57 ALIGNED OAK - HD® PREMIUM

Authentic realism is brought to the surface using synchronized texture, as each elegantly aged oak design exhibits the natural dimension and feel of real wood.

#60 MATTE - STANDARD

Textured finish with a moderate reflective quality.

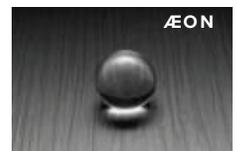

#67 ALIGNED WALNUT - HD® PREMIUM

A modern, elevated matte finish with sophisticated textures. Ideal for HPL surfaces in larger settings to create an authentic woodgrain look and feel.

#78 FINEGRAIN - PREMIUM

This premium finish features the polish and luxe of a real wood veneer, with a subtle, narrow grain structure that runs the length of the sheet.

#79 RIDGEWOOD - PREMIUM

An overall matte finish with ridged dimensional features creating a linear woodgrain effect.

Coordinated Surfaces

No matter your vision, we can coordinate the perfect solutions for your project.

As a world-leading provider of stunning engineered surfaces, Wilsonart offers hundreds of matching designs that are available across product lines. That means it's easy to harmonize your design while choosing the perfect product and level of performance you need for each individual surface.

BEST-MATCH DESIGNS

One design vision. Four product lines to coordinate. Match your favorite design pattern and texture across Wilsonart® HPL, TFL, Edgeband, and Cabinet Doors & Moldings.

ONE-STOP PERFORMANCE SOLUTION

Easily move between coordinated product and performance types based on the needs of your project. Wilsonart® Coordinated Surfaces is truly a one-stop solution.

Decorative Edges

Wilsonart® Decorative Edges for laminate forever eliminate the brown seam line — and they're available in residential designs. Choose from two unique architectural options to create a strikingly seamless edge on countertops, tables, desks, and more.

BEVELED EDGE

Strong, crisp angles enhance a solid stone look and feel. The 45-degree angle “cut” reflects light, creating a defined border that smartly frames your countertop.

CRESCENT EDGE

This versatile edge blends into nearly any interior design. It's the perfect finishing touch that adds depth and sophistication to any space.

Specialty Laminates

Discover laminates that can handle your project's unique demands. Our performance enhancements are engineered to withstand everything from chemical spills to fire damage. And design options like custom surfaces and colored core will deliver your vision — no matter what.

PERFORMANCE FEATURES

CHEMICAL-RESISTANT

Wilsonart® Chemsurf® provides exceptional resistance for environments where chemicals and harsh cleaners are used.

FIRE-RATED

This long-lasting laminate meets or exceeds fire codes across the country and comes in a wide range of designs.

PEEL AND STICK LAMINATE

Wilsonart® RE-COVER™ vertical-grade laminate comes with a pre-applied adhesive to quickly and affordably update surfaces.

WRITABLE SURFACE

Wilsonart® Markerboard is a durable and affordable writing surface for classrooms, offices, athletic facilities, or restaurants with an ever-changing menu board.

INCREASED DURABILITY

Wilsonart® High Wear Laminate is built for high-traffic spaces, boasting over five times the industry standard for abrasion resistance.

ULTRA-MATTE, ULTRA-LUXE

TRACELESS™ BY WILSONART® has a velvety texture that invites touch and resists fingerprints.

DESIGN OPTIONS

CREATE YOUR OWN

Create a custom-stained woodgrain, color-match a custom optical solid, or design a completely unique HPL using your own artwork or logo. Learn more: wilsonart.com/create-your-own

SOLID COLOR CORE

Wilsonart® SOLICOR™ creates a visually pristine look with continuous color that eliminates the traditional brown seam at laminate edges. Learn more: wilsonart.com/solicor-laminate

THERMALLY FUSED LAMINATE (TFL)

Find a suite of “one-stop” coordinated Wilsonart® TFL and Edgeband solutions in best-matched design and texture. Accessory cabinet door fronts and moldings are available. Learn more: wilsonart.com/tfl-panels

NATURAL ALMOND D30-60
FIELD ELM 7999K-12

Compact Laminate Panels

Wilsonart® Compact Laminate is a durable solution for high-impact surfaces such as lockers and cabinets, elevator cabs, and toilet partitions. It's the long-lasting coordinated project solution that delivers the perfect combination of high design and high performance. Learn more at wilsonart.com/compact-laminate

EXPANSIVE OPTIONS

Compact Laminate is available in more than 600 designs and a range of thicknesses, from 1/10" to 1".

HIGH-IMPACT PERFORMANCE

Compact Laminate features higher impact, moisture, scratch, and abrasion resistance than any comparable laminate offering.
